DEVELOPER ONBOARDING

01 What I Do

Build

WHAT I'VE SHIPPED

→ **02Ship** — Learn-to-build platform using Claude Code

→ **AI4All** — AI course platform built with Claude Code

→ **Awesome Robots** — Robotics discovery hub with AI search

→ LLM-powered content workflows & automation

→ Full-stack web apps (React, Next.js, Node)

Train (CST)

HOW I ENABLE OTHERS

→ **3,000+ students** trained in Scrum & Agile

→ **200+ workshops** delivered globally

→ Hackathon host onboarding new developers

→ Developer docs that cut onboarding time by 95%

→ Bilingual enablement (English & Chinese)

Operate

PROGRAMS AT SCALE

→ Led **7-person global team** (follow-the-sun)

→ Built knowledge base & FAQ reducing tickets by 33%

→ Build and improve technical support processes

→ Tracked activation→retention metrics

→ Top 10 UX fixes per quarter with Product/Eng

02 Experience

Lead Organiser & Product Owner

ETHSydney

JUN 2023 — PRESENT · SYDNEY

Own strategy, team coordination, and end-to-end delivery for Ethereum hackathons and programs. Drove website redesign and A/B testing, resulting in major CTR improvements.

1,100+ attendees

\$10K+ sponsorship

80+ developers onboarded

12 projects shipped

Developer Relations Engineer

Smart Token Labs

NOV 2022 — MAR 2024 · REMOTE/SYDNEY

Built developer docs, tutorials, and TypeScript example apps. Collected structured feedback from developers and prioritized top issues, reducing bug resolution time significantly.

120+ developers onboarded

30% faster bug resolution

20% example adoption increase

Global Support & Community Ops Lead

GitcoinDAO

2021 — 2022 · REMOTE

Led a remote team of 7 across multiple time zones. Built self-service knowledge base and partnered with product to fix top UX issues each quarter.

200K+ users served

33% ticket reduction

7-person global team

Certified Scrum Trainer (CST)

Scrum Alliance

2017 — PRESENT · GLOBAL

Delivered 200+ Scrum and Agile workshops worldwide. Coached teams on collaboration, communication, and continuous improvement.

3,000+ professionals trained
